

SHATABDI SYNTHETICS PVT. LTD.

PRODUCT CATALOGUE

Shatabdi Synthetics Pvt. Ltd. is a quality manufacturer of knitted garments under the brand "Gaylord" and on an OEM basis since 1989. We have fully integrated manufacturing unit for knitted garments where we knit yarn, process the fabric and manufacture garments under same roof which boosts our competitiveness to a whole new level and enables us to get more control over the quality of fabrics and serve our customers better. As we are continuously lookout for new equipment, modifying standard operating procedures, and implementing innovative techniques, we are equipped with modern machinery and a dedicated team of professionals. Along with our infrastructure facility we also fulfill our commitment towards being an environmentally responsible unit by managing our effluent efficiently and minimizing the wastage generated during production processes.
